INSIDE LEFT

The diagram shows a rectangular frame divided into two equal halves by a vertical blue line. The left half is labeled 'INSIDE LEFT' and the right half is labeled 'INSIDE RIGHT'. The frame is defined by a blue dashed line on the outside and a red dash-dot line on the inside. There are four registration marks, each consisting of a small circle with a cross inside, located at the top, bottom, left, and right midpoints of the frame. Small horizontal and vertical tick marks are also present at the corners of the frame.

INSIDE RIGHT
